

## **MPHO MABOEË**

Mpho Maboeë is a student at Stellenbosch University and an aspiring entrepreneur with a deep passion for agriculture. She studied Industrial Engineering and took courses in speech (with toastmasters), the Future Literacy Program, and Facilitative Leadership. While at Stellenbosch, Mpho worked with the Lenasia South Clinic. She also mentored peers as the Goldfields Residence Head Mentor. She served as Vice-Chairperson for the Kindness Campaign. Mpho currently holds the position of executive cluster convener. Mpho grew up in Johannesburg, South Africa. She finds her strength and purpose, however, within her roots that stretch all the way back to the evergreens of Matatiele, which motivate her to be an agent for change within her community. Mpho lives up to the motto that confidence is the first step to great undertakings. In her spare time, she enjoys collecting vinyl records. Finally, Mpho describes herself as someone with a knack to inspire others.
